

How to join through the Youth on Course Online Curriculum?

The following steps outline the process for a junior to join Youth on Course through his or her golf program. By completing these steps, the junior will be given privileges in the Youth on Course program, which creates \$2 course access and \$1 range access at local golf facilities during off-peak hours. For more information on the program, please visit www.scgafoundation.org.

1. Become an SCGA Junior Member

All Youth on Course participants must be SCGA Junior members of **one of the following organizations***:

- California Junior Tour
- City of Los Angeles – Tregnan Golf Academy
- Future Champions Golf
- North County Junior Golf Association
- San Diego Junior Golf Association
- Southern California PGA Junior Tour
- SCGA Golf Course Junior Program

There is no cost to become an SCGA member and you can obtain an application from the organization. If you are already an SCGA member, you must still apply for a dual membership in one of these programs' SCGA clubs to become eligible for Youth on Course.

2. Complete the Online Certification Quizzes for Rules, Etiquette, and Life Skills

Once you have received your new membership, go to www.scgafoundation.org and login to the Youth on Course section with your SCGA Membership number. Go to My Quizzes and complete all three quizzes. Upon completion of the quizzes, you will be able to print a Certificate of Completion from the website.

3. Return your Certificate of Completion to your Junior Golf Program

Take your Certificate of Completion and your SCGA Membership card back to your Junior Golf Program. Your junior golf program will then make a determination if you are eligible for Supervised or Unsupervised Youth on Course access based on your golf ability, your behavior, and your ability to act responsibly. You will receive a Youth on Course bag tag, which along with your SCGA Membership Card, will give you access to the program. You are now certified for Youth on Course.

Each year, you will need to get recertified by retaking one of the quizzes and returning the Certificate of Completion to your Junior Golf Program. However, your 2008 certification will be good for 2009, though you will need to get a 2009 bag tag from your organization.

*If you are a member of the SCPGA, please call or email them once you have received your Certificate of Completion.

4. Visit the SCGA Foundation Website to find Courses

Go to the SCGA Foundation website to find out what courses are offering access and to see what times you can go to the course.

Things to Remember:

- Always post your score
- Unless otherwise specified, you cannot make tee times with Youth on Course
- You should always call the course the day you plan to go to check for availability

* If you are currently a member of any of the following organizations, please contact them directly to learn how to join Youth on Course: The First Tee of the Central Coast, The First Tee of Pasadena, The First Tee of South Los Angeles, The First Tee of Ventura County, Get a Grip Foundation, The Tiger Woods Learning Center, Valley Junior Golf Association, Pro Kids Golf Academy, Young Golfers of America Association
